Dear Mr. Maestri:

I am happy to inform you that your fellowship has been extended for a period not to exceed one month, beginning August 17, 1957, with a monthly stipend of \$250; a monthly family allowance of \$115 if your wife remains with you in the United States, and provision for authorized fees, tuition, and expenses of travel.

It is our understanding that during this period you plan to continue your studies under Dr. H. B. Currier at the University of California.

It is a pleasure to report this action to you.
