New York 20, N.Y.

Dear Mr. Gillette:

I am requesting that an additional \$3000.00 be deposited to the account of Escola Ciencias Domesticas de UREMG at the United Bank of Farmington, Farmington Missouri. This would be part of the appropriation RF 54011 toward the cost of equipping the department of Domestic Science and strengthening the library of the College of Agriculture at Universidade Rural do Estado de Minas Gerais.

Some time soon I would like to know the form that the yearly report of expense of this account should take. A part of these funds have been converted into cruzeiros and a part has been spent in dollars.

Very truly yours,
