Dear Mr. Said:

I am happy to inform you that you have been awarded a Rockefeller Foundation scholarship for a period not to exceed twelve months, beginning approximately April 1, 1959, with a monthly stipend of 1800 Mexican pesos payable for the period of your actual study, a monthly family allowance of 1100 Mexican pesos; and provision for authorized fees, tuition, and expenses of travel. The beginning date may be adjusted somewhat, either earlier or later to meet your convenience and that of your institution.

This scholarship is tenable for advanced training in extension education under the direction of Dr. Delbert Myren, Mexican Agricultural Program, Mexico City, Mexico, and/or other approved centers.

Enclosed is a copy of our "Information and Regulations for Fellows" booklet. The same regulations apply in a general way to recipients of scholarships.

Dr. R. B. Watson of our Rio office (Caixa Postal 49) will be happy to assist you with your travel arrangements for your trip to Mexico. You should not leave Brazil until you have secured a Mexican visa. If you wish Dr. R. W. Richardson, Jr. (Londres 40, Mexico 6, D.F., Mexico) to help you with this, please write to him immediately as it may take him considerable time to secure visa authorization from the Mexican Government.

The Foundation is prepared to finance the round-trip travel of your wife from Brazil to Mexico with the understanding that she would spend a minimum of six months with you there during the term of your scholarship.

Your adviser at the Foundation will be Mr. Kenneth Vernizant, with whom you should correspond about any problems which may arise concerning your scholarship experience.

It is a pleasure to report this action to you.

Sincerely yours,
JANET M. PAINE
Assistant Secretary
