Dear Rector Magalhaes:

Thank you for your letter of June 10 with a list of furnishings and equipment for the women's dormitory of the School of Domestic Science which you intend to purchase locally with funds provided for this purpose in the grant noted above.

In accordance with your request we have mailed to you a bank draft in the amount of US\$25,000 to cover the cost of the equipment and furnishings. Upon completion of all payments, please send us a statement of receipts and expenditures showing the cruzeiro amount received in exchange for our dollar remittance and expenditures incurred.

Sincerely yours,
