Dear Dr. Magalhaes:

We have been informed by Dr. W. D. Toussaint, Department of Economics at North Carolina State University that Mr. Helio Tollini's work is satisfactory and that he will require an additional ten months, beginning August 23, 1967 in order to complete his work for the Ph.D. degree.

Would you be kind enough to write to Mr. Jesse P. Perry, Jr., Fellowship Officer, within the next few days, indicating your approval for the additional leave of absence?

Sincerely yours,

Nancy Clucas
