Dear Rector Magalhaes:

Thank you for your July 8 letter advising that you have received the Foundation's bank draft to cover local purchases under terms of the Rockefeller Foundation grant 66007.

I would like to add that arrangements are proceeding satisfactorily at this time for Dr. Homer Erickson's participation in the Germplasm Collection Project and we expect that he will be able to join your staff members in this important undertaking in September of this year.

Sincerely yours,

R. W. Richardson, Jr.
