Dear Rector Potsch:

I am pleased to be able to inform you that I will be in Belo Horizonte and environs during the period Friday, September 29, to Thursday, October 5, and I would like very much to visit your university for at least one day. I shall arrive in Belo Horizonte on Vasp flight 1800 at 7:30 p.m. on September 29, and I will go on to Sao Paulo early Thursday morning, October 5.

I would like to have at least one full day with you at Viçosa to see the developments there. Perhaps I can arrange a charter flight to come down to Viçosa early in the morning and return to Belo at the end of the afternoon.

While in Belo I want to spend some time visiting the School of Veterinary Medicine and other faculties of the University of Minas Gerais. Would you please contact Rector Boson to coordinate the schedule for my visits to his university and to yours. I will be pleased to interview one or two of your most promising scholarship candidates for 1968 while I am there. I will appreciate it if you will make the necessary appointments and contact me at the Hotel Normandy in Belo Horizonte.

I look forward to seeing you soon.

Sincerely yours,

Lewis M. Roberts
