Dear Dr. Schlottfeldt:

Your letter of May 15, enclosing copy of a letter from Mr. McKelvey, arrived yesterday, and many thanks for sending it.

Since the time of my last letter to you, Mr. Maestri's application papers have arrived from the Graduate Division at Berkeley, and have been returned, with the acceptance of our Department indicated. In order to facilitate the matter I have just telephoned Berkeley, and am informed that Mr. Maestri's application for admittance will be approved. He should have word shortly.

The Graduate Office further advises that the Rockefeller Foundation will be notified of this acceptance.

As to major professor, if Mr. Maestri wishes to work with me as indicated in your letter of 19 April, this is agreeable.

Sincerely yours,

H. B. Currier  
Adviser, Graduate Group  
in Plant Physiology,  
Davis Campus

cc Graduate Division, Berkeley
