Dear Mr. ~~Mc~~ Kelvey

We have in prospect trips for two of the teachers at the Escola de Ciências Domésticas of Universidade Rural in Viçosa for study in the United States.

We are able to have some help from the Institute of Inter-American Affairs, but it is necessary that the teachers arrange for their passage.

We are asking your help in providing the round trips fares for these teachers.

I do not know the exact cost, but I think it will amount to about \$ 850,00 for each or a total of \$ 1,700.00.

The teachers are Esmeralda Tomaz Afonso and ^I me, Maria das Dôres de Carvalho Ferreira.

We have hopes of going to the United States in July of this year.

Yours very truly
