February 4, 1960

Dear Doctor Schlottfeld:

The enclosed shipping documents, as listed, cover fourteen pieces containing agricultural and laboratory supplies and chemicals which have been consigned to the Escola Superior de Agricultura of the Universidade Rural do Estado de Minas Gerais. Shipment was made on the SS CAP CASTILLO which sailed from New York on January 22, 1960.

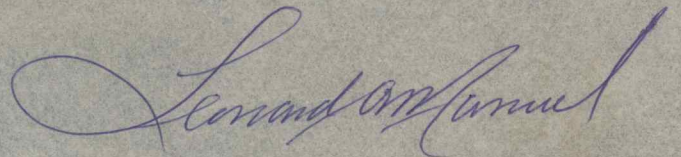

- a) One original and one nonnegotiable copy of Columbus Line bill of lading No. 2.
- b) One set of commercial invoice No. 2445, in triplicate, visaed by the consul, to which are attached a certificate of origin and a nonnegotiable copy of the bill of lading.
- c) Rockefeller Foundation packing list and commercial invoice in duplicate.
- d) Blue copies of our orders as enumerated on our invoice.

This shipment has been insured against marine risks. In case of loss or damage, please follow the instructions on the notice attached to the bill of lading but it will not be necessary to obtain a Lloyd survey report for a loss under \$100.00. Further, no claim will be filed against the insurance company for a loss or damage under \$25.00.

When this material has been received, please sign the blue copies of our orders and return them to this office.

Sincerely yours,

Dr. Carlos S. Schlottfeld, Diretor
