Dr. Lewis Roberts:

With reference to your letter of September 22 and on behalf of Mr. Agripino Abranches Viana and Mr. Frederico Cotta Vasconcellos, may I inform you that a statement regarding their future employment with ACAR was sent with our letter of September 11th.

Do you have any further information about their chances or about when would their training in Mexico be started? With their graduation on last December 15, they are ready to start program with you any time now.

Sincerely yours
