Re: RF 54011

Dear Miss Dickson:

This will acknowledge receipt of your letter of February 27 enclosing a statement of expenditures incurred in 1955 under the above noted appropriation toward the costs of equipping the Department of Domestic Science and strengthening the library of the College of Agriculture.

We note from the statement that at the close of the year you had an unexpended balance on hand amounting to \$ 3,258.15 and Cruzeiros 8,620.90. These sums plus the funds held at this office are available for the purchase of equipment and supplies to January 31, 1957, the termination date of the grant.

We are enclosing a statement showing the status of the grant as of March 8, 1956. Please note that there is a balance of \$ 11,437.49 still available under the \$ 25,000.00 portion of the grant allotted for the Department of Domestic Science.

Very truly yours,

Miss Anita Dickson
