Dear Dr. Magalhaes:

Mr. Helio M. Barbosa has made application for a Rockefeller Foundation scholarship dated July 29, 1966. We have not yet been able to take action upon this application but hope to do so in the very near future.

In view of the length of time which has passed since Mr. Barbosa submitted his application, may we ask you now for a further endorsement and clearance for Mr. Barbosa to be absent from his position for the length of time necessary for his study program and that his position is assured upon his return after successful completion of the program.

We would appreciate having a letter from you giving us this endorsement at your earliest convenience.

Sincerely yours,

Robert L. Fischelis
