Re: RF 54011

Dear Dr. Schlottfeldt:

A few days ago we received two invoices totaling \$ 14.80 from Albert J. Phiebig, a supplier of books and scientific journals, for the complete 1955 volume of American Forests and another journal which were mailed to the Library of the School of Agriculture on September 25. These journals were supplied against our order No. 451185 which was placed with Albert J. Phiebig on December 5, 1955, under appropriation RF 54011 to the Rural University of Minas Gerais.

Since the amount of \$ 30,000.00 provided under this grant for the Department of Domestic Science and the Library of the School of Agriculture has been expended and the grant has terminated, we require your approval to charge the sum of \$ 14.80 to your current grant, RF 56050, which provides \$ 200,000.00 for the support of teaching and research at the School of Agriculture during the third year period ending March 31, 1959.

Sincerely yours,

*John H. Greenfeldt*
